Dear Parent and Guardian

Students can avail of a preparation course in our school to take the [B2 First Cambridge Exam \(FCE\)](#). This is done with a qualified ESL teacher during the school day when Irish students have their Irish language class and is in addition to the ESL classes they receive, if required. There are 3 additional costs involved in achieving the B2 First:

- 42 Classes (21 double classes) from September to May - €336
- FCE Book - €36
- Exam Fee (paid directly to English Language Academy) €160

Total cost €532

The teacher will contact the parents monthly with a progress report, and a mock exam will be held before Easter.

If you are interested in this option for your son or daughter you can let us know on induction day, Tuesday August 28th.

Kind regards
