Image Permission and Consent Form

Dear Parents and Guardians,

Our school likes to celebrate your child's participation and achievements and we find that this is a source of great pleasure and pride for the student and their families. Occasionally we may wish to use images of your child in printed publications/materials as well as publishing them on our school's website and social media accounts. There are also times when the press attends events, competitions, sporting fixtures, etc., and may wish to feature our students.

To comply with the Data Protection Act 1998, we need your permission to use your child's image. Please fill out and sign the Consent and Permission enclosed indicating your preference with a tick for each child. Please return it by 21st October 2016 in the enclosed pre-paid envelope.

A copy of our school privacy policy will be available on the school website shortly.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Tony Kearney', written in a cursive style.
