EVENTS THE PARENTS ASSOCIATION HELP OUT WITH DURING THE SCHOOL YEAR

- Mock Interviews*** A very important event for 6th year pupils. We ask parents and friends of the school with expertise in the pupils chosen professions to conduct these short 20 minute interviews and feedback. This is why we ask you to outline your career area eg Doctor, Primary School Teacher etc.
- Careers Evening*** An event run with the Careers Dept for the students in 5th year. We invite parents, past pupils and friends of the school to come in and talk to the students and answer questions in relation to various professions/career paths. The idea is that the students get to talk to people from various career backgrounds that they have an interest in.
- Recycle Uniform Sales** This event is run at the end of the Christmas and Summer terms with a view to collecting up good quality, re-usable uniform items that are no longer required. They are then sold on at a good price to other students. The profit made goes for the use of the Student Council for the benefit of all the pupils. Unwanted uniform items can be donated at any time via reception.
- Valedictory** The Parents' Association host the 6th Form Valedictory dinner in May of each year.
- Pre Debs Reception** The Parents' Association host a Pre Debs Reception in the School on the evening of the debs. This is a lovely opportunity for the past pupils and their parents to get together prior to the Debs.

THANK YOU FOR YOUR ASSISTANCE
