Pupils are given twenty nine lessons, which is one lesson per week of the school year apart from examinations. The fees are designed simply to cover the cost to the school of these teachers' salaries. The purchase of instruments and their maintenance is funded from general school funds.

Group lessons	€280.00 half yearly	€560.00 per annum
Individual lesson	€540.00 half yearly	€1,080.00 per annum

## PERSONAL ACCIDENT INSURANCE

Two insurance policies are in operation (i) to cover routine medical expenses following accidents to pupils while under the school's jurisdiction, with a sum insured of €30,000.00 per pupil per claim to cover medical expenses and (ii) to give a measure of cover in the event of a serious disabling injury (details on request). These are group policies whereby ALL pupils are insured and the present cost is €15.00 per annum per pupil, charged on the Autumn term fee account.

**Please note that the policy is limited to payment of medical and dental expenses not recoverable from any other policy of insurance such as VHI, Aviva or any other health or personal accident insurer.**

In the event of an accident resulting in medical expenses you may download a claim form from [www.allianz.ie](http://www.allianz.ie) which you should then complete and submit to Insurers (Allianz) together with supporting documentation. It is important that potential claims be reported to Insurers **within 30 days**. In the event of an emergency any major medical expenses incurred, on your behalf, by the school will be charged to you for immediate repayment and small items will be debited to your next fee account. **Please note that the onus is on Parents to apply for and return the completed claim forms.**

## SCHOOL FEES REMISSION SCHEME

This is an optional scheme whereby school fees are insured against absence through sickness for more than four consecutive days (boarders) and five consecutive days (day pupils). The **termly premium** is currently **€70.00** for boarders and **€29.00** for day pupils.

## BOOKING FEES AND DEPOSITS

A registration fee of **€75.00 (not refundable)** is required in respect of every pupil at the time of enrolment. A **non-refundable** deposit of **€600.00** is required for new pupils (except overseas) in the November preceding entry. In the case of overseas pupils whose families are not resident

on this island the school requires a ***non-refundable*** deposit of **€2,000.00**. The deposit will be credited by the school upon settlement of the pupil's final account issued generally in the August of the year in which the pupil leaves. The deposit is non-refundable once the place has been accepted.

### **SURCHARGE / LEVY ON FEES OF OVERSEAS PUPILS**

There is a surcharge of 25% on the fees of overseas pupils from countries outside the EU unless the family is resident in Ireland. A capital development levy of 10% is applied to the accounts of all overseas pupils from countries within the EU.

### **PAYMENT OF FEES**

Fees become due on the first day of each term and are payable by Direct Debit. The Bursar will be happy to speak to any parent who wishes to pay by an alternative method.

A full term's **NOTICE** must be given, in **WRITING**, before the withdrawal of a pupil, otherwise a term's fee will be charged.
