## Notes

1. If you already have a book from last year, do not re-order.
2. Books can sell out quickly so it is advisable to purchase in June.
3. International students can have books and stationary delivered to the school in advance. Ensure the student's name and form, are printed clearly on the outside.
4. If you are unsure of the level at which you will be studying a subject, or do not know if there is a place for you in the class, do not buy books until the start of term.
5. Some past exam paper books will not be available to purchase until after start of term.
