LC2021 email to students re: Mock Exams

Dear All Form 6 students,

As you are aware, the optional Leaving Certificate mock exams are due to commence tomorrow, Wednesday 10th March with Economics, Art and Politics & Society. I have, once again, attached a copy of the mock timetable for your reference.

Please read all of the below information carefully

For those of you who have stated your intention to sit exams under the exam conditions at the allocated times, please be aware of the following:

- Exam locations will be confirmed via email the day before the exam is due to take place.
- Students will be asked to confirm the level they wish to sit the exam at (higher, lower, foundation) the day before the exam is due to take place. (An email requesting this information will be circulated the day before each exam to those signed up to sit it).
- Students are requested to use their **official Leaving Certificate exam numbers** (not their name) on the exam papers for identification. This will be the process for the exams in June and we wish to keep the layout of the mocks as similar to that as possible. Please ensure to bring this number with you to the mock exam.

For all remaining students who have chosen not to sit exams under exam conditions, the official mock paper will be available for you to collect the day after the exam has taken place. These papers can be collected from Mary Wheeler's office at reception.

If you have stated on the recent Google Forms that you wish to complete an exam paper in your own time, please be aware that the cut-off date for returning your exam scripts for marking is Monday 12th April for those subjects that the exams have been timetabled to take place before the Easter break and within 7 days of the allocated exam date/time for the remaining subjects. These completed exam scripts are to be placed in an envelope marked 'FAO Aoife Quinn - Leaving Cert Mocks' and handed in at reception or put through the reception letter box.

If you have any questions, queries or concerns, please do not hesitate to contact me.

Kind Regards,
Aoife Quinn
Leaving Certificate Mock Exams Coordinator
