## Well-being Procedural Pathway

08/01/2021

Dear Parents and Guardians

We would like to remind you that the School's Well-being Team is here to offer support and care for students, their families, and staff members.

The pathway remains in place, as before. To use it, when you have issues of concern where the school might assist, please make contact by email with [pastoralcare@thekingshospital.ie](mailto:pastoralcare@thekingshospital.ie) so that we may gather together the Well-Being Team immediately.

The Well-being Team will then offer appropriate support to you and your son or daughter, inform the relevant House-person(s) if appropriate, or take over the handling of the issue entirely, chaired by the Headmaster, in the event management of a critical incident. (ref: The King's Hospital School Critical Incident Management Policy/Plan).

Everyone's well-being remains paramount, never more so than right now. Continuing to look after ourselves, and others, is the key to getting through another challenging period together.

I include, below, email contacts for the Well-being Team:

School Chaplain — Canon Peter Campion — [chaplain@thekingshospital.ie](mailto:chaplain@thekingshospital.ie)

School Counsellor — Ms. Clair Breen — [counsellor@thekingshospital.ie](mailto:counsellor@thekingshospital.ie)

School Nurses Garrett, Sutton & Newell — [nurses@thekingshospital.ie](mailto:nurses@thekingshospital.ie)

Ms. Yvonne Duggan — [y.duggan@thekingshospital.ie](mailto:y.duggan@thekingshospital.ie)

Take care of each other and #StaySafe.
