### Well-Being Procedural Pathway March 2021

We would like to remind you that the School's Well-being Team is here to offer support and care for students, their families, and staff members.

The pathway remains in place, as before. To use it, when you have issues of concern where the school might assist, please make contact in the first instance by email to:  
[wellbeing@thekingshospital.ie](mailto:wellbeing@thekingshospital.ie)

The Well-being Team will then offer appropriate support to you and your son or daughter, inform the relevant House-person(s) if appropriate, or take over the handling of the issue entirely, chaired by the Headmaster, in the event management of a critical incident. (ref: The King's Hospital School Critical Incident Management Policy/Plan).

Please find below, email contacts for the Well-being Team:
