

12/3/2020

Dear Parent and Guardian

The government has mandated that all schools close today from 6 pm until March 29th.

If your child is a day pupil they will remain in school until 3:50 pm at which time they can be collected, as there will be no extra-curricular activities.

If you wish to pick up your child early you must email [absence@thekingshospital.ie](mailto:absence@thekingshospital.ie) as we will be checking all students out today in the reception area for their own safety and your peace of mind.

Boarding students will be allowed to leave class early to pack up their belongings. You must notify BoardingWare who is signing out your child as normal; and they must check out in reception.

We contacted all guardians of International Students this week to prepare for this contingency.

Students will be advised to bring all of their books, notes and musical instruments home and make sure they regularly check their school email for continuity of education.

We are in direct contact with all Guardians today by phone to ensure that our International Boarders are cared for.

I hope that you and your family remain well during this unprecedented time.

Yours sincerely,

Mark Ronan

Headmaster / Principal
