Dear Parent and Guardian

In a follow up to our letter dated February 25<sup>th</sup>, 2020, giving a status update on Covid-19, we have been asked by the DES to send all parents a copy of the attached letter from the country's Chief Medical Officer.

As this is an ever-evolving and dynamic situation, a Covid-19 contingency planning team met today to stay updated and prepare contingencies. We will be meeting again on Monday and will provide a further update which will include a response to some queries received from parents this week.

Yours
