

07-10-20

Dear Parent and Guardian

I would like to congratulate Ms Louise Marshall, Deputy Head, on her appointment as Headmistress of St Andrew's College, Booterstown, Dublin.

During her tenure with KH Louise has contributed greatly to our community to the benefit of our students and staff. Louise has successfully implemented and managed many processes and projects in the school, our most recent challenge during Covid-19 was the implementation and delivery of predictive grades for our sixth form students; Louise was the driving force behind this. We entered into an unknown environment and she steered us through this with focus and energy, reflective of the positive impact she has had in the school since her arrival six years ago.

Whilst we are sad to be losing a leader, colleague, mentor, and good friend, we are delighted that Louise will be taking up her position as Headmistress with St Andrew's College.

Due to Covid restrictions, we cannot celebrate with Louise in our usual way however we hope to have the opportunity to acknowledge with Louise in the near future.

Please join with me in wishing Louise every success in her new role with St Andrews College. The Boards of Governors and Management and I will now start the process of recruiting a Deputy Head / Deputy Principal for the school.

Yours sincerely,

Mark Ronan
Headmaster/Principal
