HOSPITAL
SCHOOL

HM Return to School email to all parents 26-08-20

Dear Parent and Guardian

As we approach our staggered induction days and start of school next week please read the following information, some which are links to KH-specific information, and some which are external sites or government documents. A separate email with a 'return to school online questionnaire' will also be sent today and must be filled out and returned by 5pm, August 27th. Parents of students who have been self-isolating on campus for the past two weeks do not need to fill out this form.

The instructions remain for our students to meet outside chapel on induction day and from there they will be divided into smaller groups, and taken to other rooms on the campus.

KH-specific information

Please watch the following video with your child as it illustrates the new routines and aims to give a sense of comfort to you and the students:

[The King's Hospital School Return to School Aug 2020 Covid 19 Guidance & Procedures](#)

Our Medical Team have prepared the following flowchart:

[Student Covid-19 Medical Pathway Aug 2020](#)

School timetables are now available to view on the SIMS Parent app. If you have any issues logging on, email: r.shaw@thekingshospital.ie
