

KH Time Capsule – Junior

Help to record your experience of this major event in history by making either

- a video of 30 seconds (or less) of your thoughts on the crisis
- OR
- a slide/image of how you are experiencing the current situation.

You can approach this task by presenting an open letter, a poem, a song, a work of art or even a dance.

Some themes to consider: your plans for the future; your top tip on surviving a pandemic; what you miss most about normal school life.

100 word limit (on average, 150 words = 1 minute of speech)

This will be kept in the archives to be revealed at a later date and may be shown at your Valedictory.

Deadline: 31st May 2020

Send to JuniorTimeCapsule@thekingshospital.ie as attachment or on Google Drive.
